ACID REPLACEMENT ALL-PURPOSE DESCALERS & CLEANERS

ENVIRO*GEN ACID REPLACEMENT ALL-PURPOSE DESCALER/CLEANER CONCENTRATE -
(Application sent to EPA)
EnviroGen is a breakthrough replacement for traditional hazardous acids. It was specifically developed to meet the needs and demands of the market place for safety without compromising cleaning performance, while making economic sense. EnviroGen Acid Replacement Descaler is non corrosive and represents the most advanced descaling and cleaning technology for the removal of all inorganic soils, such as calcium, lime, rust and more. Classified by the United States Department of Transport (DOT) as a mild irritant, the same classification given to liquid dish soap, this product does not require a corrosive symbol. This means lower cost of shipping, handling and application, compared to dangerous, traditional acids. EnviroGen replaces hazardous traditional acid descaling products used in institutional, industrial, government and commercial accounts.

ENVIRO*GEN ACID REPLACEMENT DESCALER/CLEANER BATHROOM BOWL CLEANER
(Application sent to EPA)
Same description as above but in a Ready to Use formula that offers the convenience of simply spraying and wiping. Available in quarts through a hand sprayer or high viscosity that offer a long dwell time on vertical surfaces.

ENVIRO*GEN ACID REPLACEMENT ALL-PURPOSE DESCALER/CLEANER COMPOUNDERS FORMULA - BLEND & PACKAGE FOR LOWEST COST
For manufacturers & distributors that blend and package some of their products we offer Ultra concentrated solutions for a base formula with EnviroGen technology. For those who want to get into packaging their own products we offer a complete blending package that includes, small filling machine, container source near your facility, full color labels with your exclusive private label brand and strategic sales and marketing inside information. Do your own blending and pay a fraction of the cost.

GLASS CARE

GLASS & MORE R2U
This non-streaking, non-smearing, quick drying cleaner is your first choice for glass, mirrors and other hard surfaces. Provides superior cleaning, leaving glass surfaces free of spots, smears, streaks and residue every time you clean. Leaves surfaces brighter, shinier and sparkling. A non-ammoniated, alcohol-free green formula with optimum soil-cutting action. Works fast to remove the toughest soil from virtually all non-porous surfaces. Leaves a mild fresh pleasant fragrance.

GLASS & MORE CONCENTRATE
Specially formuated for accounts that have a lot of glass cleaning for best economics. No streaking or smearing. Dilute 18:1 Creates an effective economy glass & mirror cleaner. Leaves a mild fresh pleasant fragrance.

AUTOMOTIVE, MARINE & RVs

NANO AIR PURIFICATION ODOR ELIMINATOR COATING 24/7
Creates a self deodorizing surface that requires minimum or no maintenance. Cleans 24/7 365 days a year. Reduces overall maintenance costs while protecting the value of property. Excellent for controlling odors in automotive vehicles, carpets and upholstery.

ULTRASHINE POLISH
Designed for getting the job done right the first time. Goes on easily, dries quickly and comes off easier than it goes on. A scientific blend of polymers, UltraShine Polish will leave the ultimate shine and will last for several months when applied to a clean surface. Can be applied with a high-speed buffer, orbital, or by hand. It will also aid in the removal of swirl marks. Versatile and should be part of every detail shop.

HIGH GLOSS TIRE TREATMENT
This fast drying solvent-based dressing treatment produces an immediate high gloss, new-looking finish on tires and mats. Utilizes the latest developments in solvent and silicone technology to create an immediate high gloss for that new wet look and protection. No streaking or running.

PROFESSIONAL CAR WASH
A perfect blend of liquid detergents, designed for efficient “non-streak” cleaning. Produces a rich sudsy solution that emulsifies dirt and road film rapidly, and is also free rinsing. It has a pleasant cherry fragrance and a foam stabilizer to give you suds for all day use. Formulated to a balanced pH to be gentle yet effective on vehicles surfaces.

PROFESSIONAL CAR WASH & WAX
The same as Professional Car Wash but contains the queen of waxes, carnauba. The combination of cleaning agents, surfactants and carnauba wax gives the vehicle a high shine and also enhances the wax already on the vehicle. The added bonus of using this product is that when it is rinsed off, a sheeting action is created, which makes for a spot free surface.

INSTANT AUTO CLEANER, PROTECTANT & PRESERVATIVE
Designed to protect and preserve vinyl seats, dashboards, door panels and consoles from harmful elements like the damaging effects of the sun’s (UV) ultraviolet rays and oxidation. Helps prevent cracking, fading and discoloration. Leaves the surface with a deep, rich look and adds a beautiful shine. Excellent for use in all automotive, marine & RV detailing.
